Community Food Assistance Program

The Whosoever Will Christian Church on Saturday, July 11, 2020, conducted a massive community-wide food distribution to over 200 individuals and families as part of a continued effort to provide food and nutritional assistance to residents of the Beltsville, College Park and Laurel, Maryland Areas. Participants adhered to social distancing and COVID-19 safety regulations during the distribution process. Each Participant received a bag of groceries containing poultry, dairy products, vegetables, and canned goods. Due to financial difficulties and its related constraints cause by COVID-19, individuals and families are experiencing unexpected budgetary problems. This effort is designed to assist needed families to meet their food and nutritional needs. We will like to thank all of our partners for their ongoing assistance. Without your generous contributions, this project would not have been possible.
